Student Application Form page 2
Summer 2010

Application Deadline: March 10, 2010

- 1.) Please elaborate on the following. Use an additional piece of paper if necessary
- Any work in a research environment with a professional scientist
 - Extracurricular activities
 - Clubs, hobbies, interests
 - Jobs
 - Any other items you think may be of interest to the selection committee

- 2.) On a separate sheet, submit an essay: typed and double-spaced (250 words maximum). Discuss the area of science in which you are interested and why.
